

# Children's Birthday Mocktail Making

## Grill 48

Our children's mocktail making party is perfect for children aged 7-14. Your party will take place on our Mezzanine level of Grill 48, we will provide you with a 3 course meal for the children, including cordial soft drinks, or alternatively you can opt for a buffet if you prefer.

The children will be treated to the full restaurant experience where they will be given the opportunity to come behind the bar and make a non alcoholic cocktail (Mocktail) with one of our mixologist. They will get to shake the shaker, pour the ingredients and of course finish off the mocktail for them or one of their friends to drink.

As an added extra why not let Mairi Claire Photography take professional pictures of the party and the guests for you to keep. Mairi will be on hand for 2 hours during the party and we can guarantee she will have your children pouting and laughing as if they were at a magazine shoot. You will receive a disc of 10 personally selected images copy write free for you to keep. This is charged at an additional cost of £50

Alternatively add a [Tif and Kittie's Pamper Treats](#) to the day and make, perfume, soap or bath bomb making as party. Mary's parties are also suitable for younger children age 5-8. [Tif and Kitty Party Information](#)
