

Our children's mocktail making party is perfect for children aged 7-14. Your party will take place on our Mezzanine level of Grill 48, guests will receive a welcome glass of sparkly (lemonade), a mocktail each and a finger buffet and any other soft drinks required with the buffet. The party lasts for up to 2 hours.

The children will be treated to the full restaurant experience where they will be given the opportunity to come behind the bar and make a non alcoholic cocktail (Mocktail) with one of our mixologist. They will get to shake the shaker, pour the ingredients and of course finish off the mocktail for them or one of their friends to drink. Mocktail making takes around 30-40 minutes so why not add an experience to your party to from one of our preferred suppliers to make the party extra special.
